

**FVHS XC/Track and Field
Booster Meeting
March 22, 2017**

In attendance:

Don Marion – President
Margaret Moreno – Treasurer
Bev Lyall – Secretary
Lisa Willoughby
Kim Peterson

Rich Grohmann – Vice President
Selena Marion – Fundraising
Damian Willoughby – Vice President
Tina Feitz – CPI Registrar

Call to order: 6:03

General Business:

ACLU AB-1575 was made available for review. Outlines the “free school guarantee” (what schools can and cannot charge for.)

Treasurer’s Report - Margaret Moreno

- Income included spring and off season winter contributions, Boeing gift match (Grohmann), uniform income and Oregon trip. Expenses include meet fees, XC Stats, timer fees, supplies and XC money transferred to ASB.

Distance Contributions

- Kim is fact-finding and Jerry will be making parents more aware of contribution amounts and when due.

Out of 175 students, about 75 have made donations, coaches paid at end of season.

Track and Field Banquet – Possibly May 27 at FVHS from 2:00 pm – 5:00 pm.

Senior gifts – D & J Auto will contribute \$15 per gifts. Board is currently looking for gift ideas.

Sunset League – No trophies, but there are patches which will be purchased for \$9.95.

Fundraising – Selena Marion

- \$290 earned from mixed bags. Proceeds will go towards Oregon trip.

CPI Update – Don Marion

- Board approved to change medals for a savings of \$1,040.24. Will be engraved with year on the back. Looked at surf boards and palm trees. Damian – 1st, Rich – 2nd.
- Carl’s Jr. will have a truck and give 20% back.
- Don is looking into sending out invitations via USPS.
- Sponsor – we do not have BLVD of Cars and possibly not Carl’s Jr.
- Will name top male and female runner award, the “Bill Thompson (founder) Award”.

Oregon Trip:

- Rooms have been saved.
- There will be some overage on the bus (25 students instead of 35). Voted that if necessary, booster will cover overages on airfare and hotel. Damian – 1st, Margaret – 2nd

Easy-ups

- Reviewed two options: Two at \$1,821 (heavier frame) and two at \$1,347 (lighter frame). Determined that lighter frame is substantial enough and approved. Can also be used for CPI.

Eight locks needed – Approved at \$25 each. Margaret 1st, Selena 2nd.

Need to decide what to do with wall by tower. Paint over? Vinyl wrap? Will discuss.

Meeting adjourned 6:57 pm
