Tina Feitz

**CPI :**

- Don Marion presented survey report. All ratings were very favorable.
- A few suggestions – more hills, longer chute, more marshals, better course markers, race results posted sooner (use an app?), open class race 5k instead of 3 miles.
- Other thoughts for next year – Add pizza and food trucks, buy 6 tables, 4 easy ups, 2 garden wagons (to move water, bathroom supplies, etc.), use hand sanitizer instead of water in wash basins, strap stage, add eye hooks to trailer, move water monster from end of race area.
- Tina Feitz – five schools still need to pay.
- Bev Lyall – Students and parents appreciated the pricing. Danishes didn't sell well. Next year - add coffee to snack bar (possible donation from Starbucks or Coffee Bean)?

**Treasurer's Report: Margaret Moreno**

- CPI net income to date - \$16,905.52. Five schools still owe \$1,545.00, Jamba Juice \$488 and Tacos & Company \$546.66.
- Net XC girls contributions \$2,081.77 (percent paid 59%)
- Net XC boys contributions \$2,101.42 (percent paid 61%)

**Cross Country Banquet:**

- Proposed date 11-29-16
- Lots of ideas discussed.  
Proposed Sky Links in Long Beach – \$20 per person all inclusive, but too far away.  
FVHS cafeteria is a lot of work and mess for janitors. Set up a banquet team?  
FVHS cafeteria but without a dinner. Water, desserts, candy. Need to keep it simple.  
Use Sign Up Genius.
