* Mostly excellent reviews

* Team plaques for next year will be made of bamboo and in a surfboard shape. Will cost less than this year's plaques.

* Keychains in the shape of surfboards could be added next year. Give away for open class and charge \$5 more for the race. We could also sell them next to the t-shirts. We would make money from keychains.

* We need people to sign up for food. Selena also needs more help for set up and check in.
