

## Ralphs Community Contribution Program

---

If you shop at Ralph's Grocery Store, you can help our FVHS Cross Country/Track & Field program by signing up for their Community Rewards Program. The more we all spend at Ralphs, the more they will send to our program each quarter. This does not reduce your Ralphs Rewards benefits; it only helps us offset the costs of supporting our coaches and athletes.

Here are the [instructions to create an account and/or link your existing rewards card](#). When the system asks you for your program of choice, search for and select "FOUNTAIN VALLEY HIGH SCHOOL CROSS COUNTRY TRK & FL."

Thank you!
